Graduation Ceremonies Slated June 12th for 169 Candidates

Plans Progress for Senior Ball Set for Night of Graduation

"Auf Wiedersehn" has been chosen as the theme of the SSC Senior Ball which will be held graduation night, June 12, 1953. The formal dance will be held in the Mirror Room of the Elks Temple, with Bob Mattarolo's orchestra providing music from 9-1.

Feature Beer Garden

A German beer garden will be the motif for the decorations. Bids will go on sale Monday, June 1. They will cost two dollars with Student Association card, and three dollars without card.

Veep Chairman

Chairman of the dence is senior class vice president Pat Strei. She is being assisted by Mary Lou Armstrong, bids; Mary Mooney, refreshments; Jay Bishop and Peggy Barrick, decorations; Cecilia Fava, publicity; Rhuben Aga, p. a. system; Joyce Anderson, flowers; Lloyd White, prizes.

Waltz Contest

A highlight of the dance will be a waltz contest which will be judged by Mrs. James Adair, assisted by other faculty sponsors. Prizes for the contest will be donated by Roos Bros.

Council Gets Tough With Six Clubs

The Attorney General has issued a reminder to all on-campus clubs that failure to have a representative at Inter Club Council meetings is in violation of Article V, Section 4, of the by-laws of the Constitution of the Associated Students.

The following clubs have failed to attend regularly and continued absence will bring action by the Supreme Court:

BASS, Math Club, Ski Club, Sociology Club, SPEARS, Thespiazusae.

The Court has the power to suspend any on-campus club for violation of this by-lay. A suspension would prevent the club from functioning as an on-campus organization, using any college facilities, or engaging in any college activities. The next Inter Club Council meeting is scheduled for Thursday, May 28 at 10 a.m. in the Ribera Room, and it is hoped that all clubs will send a representative to this meeting.

Activities Head Seeks Lost Paper

Dr. Roberta Christie reported that a copy of a doctoral dissertation entitled "A Study of Self Concept in an Experience Conducive to Change" is missing from her desk. She asks that the finder please return the dissertation to the SSC library or Dr. Christie. This publication is borrowed from Columbia University's library, on inter-library loan, and is now overdue.

Custodian Donates Mounted Animals

The life science department recently received a gift of four mounted animals from SSC custodian, Thomas B. Hall.

Specimens include two black-tailed deer heads, great-blue heron, and red-tailed hawk. The department has also recently received and prepared a specimen of the rather rare sand hill crane, and a chinchilla.

All of these as well as others may be seen at the life science building, room 105, at any time.

Statesman Ready For Distribution June 3

The 1953 Statesman is now in the process of being bound, and will be ready for distribution by next Wednesday. The books will be handed out in the Publications Office, Douglass Hall 111, for three days.

All of those who have purchased the book will be able to pick them up at that time, and if there are any left, they will go on sale to those not already having a receipt.

According to Wilma Riedel and Darlene Vian, co-editors, the book is modern in scope, and includes 96 pages.

Since Dead Week begins Monday, The Hornet is forced to call it "quits" for another semester. The initial edition of The Summer Hornet will be published the opening day of summer session and The Hornet again opens shop October 2.

Faculty Approved Program Goes Into Effect in Fall

The general education program for freshman and sophomore students at Sacramento State has been approved by the faculty. It will go into effect next September.

The program consists of 45 hours of classwork in the four areas of natural science and mathematics, humanities, social science, and self-realization. Individual courses under each of the four areas will be broad in scope, but will not be of the survey type.

All freshman students will follow approximately the same general pattern of courses within the 45 units of general education program. Students transferring into the college above the freshman or sophomore years will have their general education requirements evaluated on the same basis as they are now.

They will not, therefore, be required to register for all of Sacramento State's general education courses in order to qualify for admission to an upper-class standing if they have had comparable work elsewhere.

June 11 Graduation Rehearsal Slated

Commencement rehearsal for all graduating candidates will be conducted on Thursday, June 11, at 10 a.m. at the Open Air Theater. Attendance is required of all except for those who have regular teaching duties at that time.

Graduates and faculty will assemble at 2:30 p.m. on Sunday, June 7, at Kit Carson Junior High School for the baccalaureate exercises. The Little Theater at Kit Carson will be available for putting on graduating robes.

Graduates and faculty are to be in the line of march for commencement at 9:30 a.m. on June 12.

A tea honoring all January and June graduates will be given by Dr. and Mrs. Guy A. West following the baccalaureate service. The tea will be held at Kit Carson Junior High School.

Publications Board Lists New Editors

The State College Board of Publications made public this week the appointees for editorial posts on the college's two publications, The Hornet and Statesman.

Named to head the Student Association's newspaper was Jerry Keating, who is at present managing editor of The Hornet.

Darlene Vian, Statesman co-editor this semester, will assume the full editorship next year of the yearbook. In addition to yearbook work, Mrs. Vian will serve as editor of The Summer Hornet.

Both said they will make their staff appointments in the fall.

Music, Talks, Awards Fill Commencement

Commencement Week at SSC will begin June 7 with Baccalaureate services at Kit Carson Junior High School. The program will begin at 3 p.m. in the auditorium.

An organ prelude will preceed the Academic Processional. Mr. Frederick Errett will be the organist for the musical numbers.

Rev. Charles Silberstein, a member of the Class of 1953, will give the invocation and will also close the services with the benediction.

Monk to Direct

Pascal Monk will direct the SSC chorus in Blessing, Glory, and Wisdom and Thanks by J. S. Bach.

The main address will be given by Rev. Robert A. Panzer, First Methodist Church.

The graduates, chorus and assembly will join in singing the hymn Faith of Our Fathers by Hemy. After the benediction, the academic recessional will leave the auditorium.

GRADUATES RETURN

One hundred twenty-one January graduates have been invited to participate in the June 12 exercises, which will be held at the Outdoor Theater.

Commencement exercises will be presented in the Outdoor theater on the campus at 10 a.m. June 12. Selections by the Concert Band will entertain guests before the beginning of the program.

Fanfare On

A Fanfare for a Ceremonial Occasion will lead into the Academic Processional. Richard Landes will conduct Engel's Ceremonial Grand March as the faculty and degree candidates take their places.

The invocation will be given by Rev. Torrance Phelps, D.D., of the First Congregational Church. The band will then present Folk Songs from Somerset.

Dr. Guy A. West, president, will give the main address for the first new campus graduation ceremony. Dr. Stephen L. Walker, Dean of Instruction, will present the candidates for degrees, which will be awarded by the president.

Alumni Head to Talk

Jack Bertolucci, president of the Alumni Association, will present the annual Outstanding Senior Award.

The entire assembly will join in singing America, the Beautiful. The Recessional March by Rousseau will officially close the program.

All degree candidates are required to participate in the graduation ceremonies.

Radio Given to Lounge

The gift of a console radio for the new student lounge was announced this week by ASSSC prexy Jim Warren. He said it was donated by Donald D. Mosier and will be put in use soon.

Another Year . . .

Commencement activities are a combination of Thanksgiving and Christmas. Despite the strain of final week and the last minute work which suddenly comes due, the last days of the term seem to make it important to say things which would be looked down upon as being too sentimental at any other time of the year.

With its last issue The Hornet offers its sincere thanks to the administration, faculty and staff for their constant and unselfish work in furthering the aims and work of Sacramento State. One goal has been attained this year with the occupation of the new campus. Others will see actuality within the next few years.

The Hornet is proud to have advanced in page size, and news coverage during the year and feels that it is now serving the college in a satisfying way.

The year has been a good one, and The Hornet looks forward to rendering continued service to the students, faculty and administration.

The Rover Boys

By BOB McMAHON and AL GRAY

Halos away! The time has come for the Rover Birds to fly South for the Summer. When all our fine-feathered friends in fall, there will be two new newshounds stirring up the Hornet's nest with their Roverisms.

Gone, but not forgotten, will be ivy-devoid walls of old Sad Sac State. Never again shall we enjoy the water sports on Lake West; the jack-rabbit hunts and dust storms on the quad; the kite flying between classes; and the practicum choir.

Needless to say, we shall miss all our fellow members of the Tin Key fraternity and the Frustrated Student's club; the extra-curricular activities at the Sportmen's Den; the fond memories of Dr. Geeting's Ipana smile and Dr. Christie's long, red cigarette holder. And how we shall miss those dear old Kampus Kops, Christine jokes, education classes, and those red-faced stop signs.

Speaking of stop signs, we are DEElighted to see they are once more halting the harmonious flow of traffic over H Street entrance road. Wha' hoppened? Were the Kampus Kops inspired by duty, were the state police getting callouses on their coccyxes, or did the local black birds rise up en masse and demand that their roosts be returned?

Are you a sucker for a salesman's pitch? If you are, we suggest that you contact Mr. Willard Thompson for a few helpful and humorous hints on how these "arm-twisters" operate. His experiences as a traveling magazine salesman are extremely interesting and highly revealing — even without the farmer's daughters.

For you avid Walt Kelly fans, we recommend the recently published Uncle Pogo's So-So Series. It contains, among other things, a chuckable satire on Mickey Spillane entitled "Meat Hamburg, private eye, ear, nose, throat, and leg," by Muckey Spleen.

Before we say goodbye, we wish to doff our halos to all the guys and gals who refrained from punching us in the nose this past semester. To all our friends and enemies, we can only say, Ding How, everybody! Oloha Oe! And many happy reunions!

CONGRATULATIONS

Editor of The Hornet:

I want to congratulate all the people who have carried on the student activity program during the last year.

I think that this has been a critical year in the formation of our college and the activities have helped carry us past that period in which the physical facilities have been to a minimum.

I want to extend best wishes to the incoming officers for the coming year. They are in the situation in which they can begin the actual building of the college program. Good luck.

JIM WARREN,
Past ASSC President.

* * *

There will be a special council meeting in the student lounge Monday at 12:30 p.m. to consider raising student body card fees for the coming year. Ex-president Warren has urged all interested students to attend the brief meeting. Last week's election confirmed the council's belief that the majority of ASSSC members were in favor of increasing the association dues.

SIGNS STINK

Editor of The Hornet:

I notice that the stop signs which some radical removed recently have been replaced. It seems a pity that such a foolish welcome to visitors and students at the campus' entrance must be continued. —DISGUSTED.

COLLEGE STUDENTS PREFER LUCKIES IN NATION-WIDE SURVEY!
Nation-wide survey based on actual student interviews in 80 leading colleges reveals more smokers prefer Luckies than any other cigarette by a wide margin. No. 1 reason—Luckies' better taste. Survey also shows Lucky Strike gained far more smokers in these colleges than the nation's two other principal brands combined.

Two SSC Students Are Awarded Coro Foundation Scholarships

Mary Farrell and Polo Aguilar have been awarded scholarships of $1,000 each by the Coro Foundation of San Francisco. Presenting backgrounds of extensive extra-curricular activities at SSC, Miss Farrell and Aguilar were chosen from among 25 finalists from all parts of the Pacific Coast for their leadership abilities and demonstrated interest in public affairs.

Interview Made

The final selection was made on the basis of personal interviews held in San Francisco by a board of civic leaders May 21.

Coro Foundation is a non-profit, non-partisan public trust which was established in San Francisco in 1942 to carry out research and education in Public Affairs. Now in its eighth year, the foundation hopes to attract capable young people into public affairs and to give them intensive, effective preparation in this complex field.

During the nine month program, Miss Farrell, Aguilar and ten other young men and women will have an opportunity to study at first hand the various segments that go to make up a large metropolitan community.

They gain a working knowledge of how government operates and will develop an understanding of the complexities of the community as a whole.

Serves College

While at SSC, Miss Farrell has been editor of The Hornet, co-editor of the student handbook, secretary of the junior class, secretary of the Newman Club and a member of the Silver Key honor sorority.

Aguilar has majored in Government and has served as Chairman of the Board of Control, president of Newman Club and treasurer of the Student association.

Miss Farrell and Aguilar are the first SSC students to be successful in their applications for the Coro course. They will start their training in September.

Sports Corner

By STEVE BAROOSHIAN AND BILL JAMES

Tom Brian had a great night last Monday at the annual Green and Gold award banquet. Besides being named one of the outstanding athletes he was also chosen as the most valuable basketball player. At the conclusion of the awards lanky Brian was elected president of the Green and Gold to replace Al Brown, who was chosen as the other outstanding athlete.

In the past the outstanding athlete award has been given to one athlete who participated in more than one sport. This year, because there were no Seniors participating in two sports, the Board of Athletic Control had the problem of a split vote so they decided to choose two.

Ken Frye, the outstanding golfer, was credited this season with shooting a good score consistently in the low 70s. Hurdler Bob Lynde of the track squad was high point man with 65 digits to his credit and Paul Willey was a consistent spark plug on the tennis team. Willey, who is from Canada, is ranked as one of the top amateur tennis players in that country.

Hornet baseballers Jerry Kaeser and Dwight Dickey worked opposing pitchers for 19 bases on balls during the season. This was tops for the squad. Joe Geyer and Don Knezovich were next in line with 17 apiece.

Rumor has it that Joe Geyer will sign a professional baseball contract soon, supposedly with the Sacramento Solons. Good luck, Joe.

With the conference coming about next year, students will be able to view spring sports such as baseball, track, tennis and golf matches on campus grounds.

Upon the basis of his performance for the Hornet baseballers this year, George Larsen can be called a good-looking prospect. George picked up six victories without a setback, and compiled a fine 1.65 ERA.

Baseball scout Joe Sprinz was on hand to watch the Hornet-Stanford baseball game played at Palo Alto last May 12. P. S. Stanford won, 13-4.

J. C. Masters, Sacramento JC basketball and baseball star, is expected to enroll at Sacramento State next fall. He should prove a big boost to Hal Wolf's charges.

Top '53 Athletes Named During Annual Banquet

Tom Brian, center on the Hornet basketball team, and Al Brown outfielder on the baseball team were named the outstanding athletes for 1953 at Sacramento State at the annual Green and Gold Award Banquet held at Old McDonald's Farm last Monday evening. Each received individual trophies and will have their names engraved on the Perpetual Athlete of the year trophy. They were named co-athletes after a split vote by the Board of Athletic Control.

More Awards

Individual trophies in basketball went to George Goto, top defensive player, Chris Georgis, foul shooting award, and Brian, most valuable player.

Paul Willey was voted the outstanding tennis player, Ken Frye, the oustanding golfer, and hurdler Bob Lynde, the top track man at the affair.

Speeches were given by Dr. Hubert J. McCormick, Director of Athletics, and the coaches, Half Wolf, basketball and baseball, Dr. Frank Jones, track, Jack Jossi, tennis, and Dr. Aubrey Bates, golf. Special guests included Bill Collins and Marco Smolich of the Sacramento Bee Sports Department. George Silberstein, Commissioner of Athletics, acted as Master of Ceremonies.

At the conclusion of awards an election of officers was held by the club.

Athletes receiving awards included:

Basketball: Dwight Dickey, Dick Vinci, Joe Geyer, Bob Taylor, Mike Libera, Chris Georgis, Gene Gardner, George Larsen, Tom Sekul, George Goto, Tom Brian and Manager George Custeilo.

Baseball: Don Knezovich, Larsen, Goto, Dick Renwick, Dickey, Geyer, Ezio Pedretti, Georgis, Jerry Kaiser and Al Brown.

Track: Bob Lynde, Gordy Fong, Tom Hathaway, Steve Barooshian, Clarence Locke, Ed Gallaway, Phil Flynn, Herb Jotter and Vinci.

Tennis: Paul Willey, Eldon Rowe, Garland Shinn, Gene Aguilar, Laverne Walton and Leighton Case.

Golf: Ken Frye, Joe Fernandez, Don Deckhoff, Tom Sekul and John Bohl.

HORNET NETMEN—Standing, left to right, are Laverne Walton, Leighton Case, Coach Jack Jossi, Eldon Rowe, and Gene Aguilar. Sitting, left to right, are Garland Shinn and Paul Willey. The team won 13 of 18 matches during the season. —Hornet photo.

Sacramento State College Joins Far West Athletic Conference

After five seasons of playing independent ball, Sacramento State College joined in the reorganization of the Far West Conference along with Cal Aggies, Nevada, Chico State, San Francisco State, and Humboldt. This means that the Hornets will have conference games next year in basketball, track, baseball, tennis, and golf with the other five schools.

Play Basketball

The first intercollegiate events will be in basketball, with Sacramento playing all other members of the newly organized conference twice in each sport.

All coaches are in accord with the recent plans of the conference. Dr. H. J. McCormick, Director of Athletics at Sacramento State, said of the conference, "We consider this a definite step forward as we now have a definite goal to achieve."

Award Trophies

Trophies will be awarded to the different school champions in each sport which should facilitate greater interest amongst the players and the students. The conference is not new, being formulated many years ago.

Coach 'Hal' Wolf Sits in the Shadow Of Team's Glory

Behind every winning ball club there is a man who sits in the shadow of his club's glory and coaches them to victory.

So is the case with Harold "Hal" Wolf, Hornet basketball and baseball mentor. In his first year at State, Wolf took a basketball team with only two returning lettermen, and guided it to the finest basketball record in the college's history, an impressive 22-8 mark which acclaimed Sacramento State one of the finest independent clubs in the state.

Hal Wolf

In baseball, he coached his team to a 12-5 seasonal record, which was also the finest percentage for any Hornet baseball outfit in history.

Wolf, a hard driver, stressed strong defense and sound basketball fundamentals, and installed a complicated rotating post system, which in many instances had the opponents caught in a dilemma from which they seldom recovered.

Next year, Wolf is looking forward to having still a greater basketball and baseball squad with most of the players of this school year returning, plus additional talent that will be flowing in to Hornetville. —By B. J.
